

Privacy Policy

Effective Date: January 28, 2023

This page informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Service and the choices you have associated with that data.

We use your data to provide and improve the Service. By using the Service, you agree to the collection and use of information in accordance with this policy. Unless otherwise defined in this Privacy Policy, terms used in this Privacy Policy have the same meanings as in our Terms and Conditions.

INFORMATION WE COLLECT

When you visit our Application, you may provide us with two types of information: personal information that you voluntarily disclose that is collected on an individual basis; and information collected automatically when you use our services. By providing us with your Individual information or Institutional information, you also expressly agree that we may collect, hold, use and disclose your personal information in accordance with this Privacy Policy. In addition to providing the aforementioned information, if you choose to correspond further with us through e-mail or through the "contact" section of our app, we may retain, use and disclose the content of your messages together with your e-mail address and our responses. Depending on what stage the offered product is at (pre-start collection of applications; commence or rendering of the full Service; connection of additional services), "CopyPaste! Auto Paste Keyboard" has the right to collect provided information partially or in full process, use or transfer

the information by all or part of the claimed methods; stop collecting, processing, using, transferring and storing information.

Such changes shall not necessarily be announced by “CopyPaste! Auto Paste Keyboard” and may not be a reason for limitation of rights of Users, owners of the provided information and may not be a reason for any claims and charges against “CopyPaste! Auto Paste Keyboard”.

PERSONAL INFORMATION WE COLLECT

Individual information is collected only when it is voluntarily provided to us by Users using Application, such as your:

Device identifier (for Application)

Cookies

Session activity

MAC address

Also if you contact us for getting support or with questions related to our terms of use or privacy policy, we can collect next information:

name of your Apple id or Google account

e-mail address

By providing us with your Individual information, you also consent for us to collect, hold, use and disclose your personal information in accordance with this Privacy Policy.

In addition to providing the foregoing information, if you choose to correspond further with us through e-mail or through the "contact" section of our Website, we may retain, use and disclose the content of your messages together with your e-mail address and our responses.

We do not collect or process any personal sensitive information about you (information revealing your racial and ethnic origin, religious and political views, membership in professional organization, sexual preferences).
